- Designed and developed the **official company website** and lead capture workflows
- Built and managed **CRM pipelines and automation systems** for client acquisition and operations

Co-Founder /Chief Marketing Officer (CMO)
July 2025 - Present
Triverse Solutions (Startup) *Pune*

- Led **marketing strategy, positioning, and go-to-market execution** for SaaS and ERP products
- Oversaw **operations, client onboarding, and cross-functional delivery workflows**
- Aligned **product requirements with business and market needs** for platforms like Triverse ERP Nexus

Digital Marketing Intern & CRM Manager
May 2025 – Sept 2025
Nutan Maharashtra Institute of Engineering & Technology *Pune*

- Managed digital marketing campaigns to improve institutional outreach and engagement
- Designed and maintained CRM workflows for 3000+ student records
- Handled lead tracking, communication pipelines, and reporting dashboards

PROJECTS

AI-Based Pneumonia Detection and Explanation System

- Built an ML classification pipeline for pneumonia detection from chest X-ray images
- Performed data preprocessing, feature analysis, and model evaluation
- Evaluated models using accuracy, precision, recall, with focus on medical AI reliability

ML-Based Voice Recognition & Text Summarization System

- Developed an ML-based speech-to-text system for long audio inputs
- Implemented automatic text summarization for extracting key information
- Designed an end-to-end pipeline from audio preprocessing to summarized output

YaatraSarthi – AI-Powered Cultural Travel Platform

- Worked on a unified cultural tourism platform solving fragmented travel services
- Integrated AI-based personalized recommendations and booking workflows
- Supported QR-based ticketing and real-time updates within a marketplace model

Social Media Automation & Content Workflow System

- Built automation workflows for social media content scheduling and publishing
- Automated engagement tracking and campaign execution
- Reduced manual marketing effort by ~40% through automation

VOK Partners – Official Website

- Designed and developed the official website for VOK Partners from scratch
- Structured the digital presence to align with brand positioning and services
- Implemented inquiry and contact workflows to support business outreach

EXTRA CURRICULAR ACTIVITIES

- Core Member at Codement Community: Led 5+ SkillBoards, demonstrating strong leadership and team collaboration
- Lead and Founding Committee President – Tech Talk Friday Podcast, Codement Core, Inside NMIET.
